

Special Services for Restaurant Businesses

North Florida Payroll Services understands the challenges of running a restaurant business, whether you have one location or multiple locations. Our process of integrating new clients is simply the smoothest process in the industry. When you add new locations, it's even smoother!!

Here are some additional benefits we can offer your franchise company:

- Run your payroll on your time with our online payroll application. Enter your payroll, access and print reports, make changes—all at your convenience!
- Do you have a POS system to track employee time? We can set up your payroll account so that we import the data directly from your POS system.
- We make tracking HR information easy so you don't have to run two systems. You can easily monitor training, liquor licenses, disciplinary actions and more.
- From one screen you can access all employee information such as pay rates, and taxes, deductions, accruals, and HR information to make quick updates. In addition, you can use our Batch Editing feature for group updates on accruals, deductions, pay rates, Workers' Comp codes and more.
- With over 250 custom fields you can track employee information specific to your business. North Florida Payroll doesn't purge your data for terminated or current employees so you always have digital access to your historical information (previous employees are stored as "inactive").
- We offer NFPS Timeweb so that employees may clock in and out online (subject to administrative approval).
- We make it easy to manage tips and to claim your tax credits by using our "tax tip credit report"
- Our system will automatically alert you if you have an employee's pay that does not meet Department of Labor Minimum Wage regulations.
- When you hire new employees, we provide you with required New Hire Reporting forms and send them in for you when you provide them to us
- Garnishments—no problem! Our system will make deductions and remit garnishments as required.

Our goal is to be an asset to your business—your time is valuable and should not be spent on payroll details. Leave the details to us and go about building your business! [Click here to read our 6-point performance guarantee!](#)
